

To Join a See&Share Session in Progress:

1. Click the **Watch Presentations** link on the website.
2. If your default browser is Mozilla/FireFox:
 - Click Save.
 - Double-click the downloaded See&Share.exe file.
 - Click Ok and then click Run.
3. If your default browser is Internet Explorer:
 - Click Run.
 - Click Run.
4. The See&Share software will start. The Server should be **dnrsas.dnrweb.state.co.us** (filled in automatically). If the Server is not filled in (which results from cookies being disabled in your browser), type **dnrsas.dnrweb.state.co.us** into the dropdown.
5. Select the conference from the list – the conference name should be something like **CWCB Board Meeting** or **CWCB Board**.
6. Fill in your name.
7. Click Join.
8. You should now be able to see the shared desktop.
9. Once the conference is over, click Menu and then Exit Tandberg See&Share.
