

Appendix G
Nonconsumptive Projects and Methods
Protection Type Summary

Basin	Name	Status	Project ID	Study / Report / Information only	Aquatic general- May not have NCNA attributes	Riparian / Wetland general - May not have NCNA attributes	Bonytail Chub	Humpback Chub	Roundtail Chub	Razorback Sucker	Colorado Pikeminnow
Arkansas	Fountain Creek erosion and mine tailings pollution control project	Completed	43						I		
Arkansas	Jackson Creek wetlands project	Completed	44								
Arkansas	Clear Creek Reservoir Gauging Station Reconstruction	Planned	101								
Arkansas	Diversion Structure Replacement Plans #1	Completed	188						D		
Arkansas	Diversion Structure Replacement Plans #2	Planned	189								
Arkansas	Arkansas River Water Needs Assessment	Completed	190								
Arkansas	Arkansas River Watershed Invasive Plants Plan	Completed	201								
Arkansas	Arkansas Water Transfer Study	Planned	202								
Arkansas	Rocky Mountain Fen Research Program	Planned	207								
Arkansas	Upper Arkansas River Watershed Restoration Plan - California Gulch	Planned	208						I-P		
Arkansas	Fountain Creek Fish Egg Dredge Sieve	Planned	212								
Arkansas	Fountain Creek Dam Improvements	Planned	213								
Arkansas	Fountain Creek Wetlands Improvement	Planned	214								
Arkansas	John Martin Wetlands Protection Study	Planned	215								
Arkansas	North Crystal Creek Erosion Control	Completed	236						I		
Arkansas	Glen Cove sediment trap	Planned	237						I-P		
Arkansas	Glen Cove Wetland	Completed	238						I		
Arkansas	Soda Springs Park Reach	Completed	239						I		
Arkansas	Shryver Park Reach	Completed	240						I		
Arkansas	Bear Creek - Pikes Peak	Planned	241						I-P		
Arkansas	Fountain Creek - Memorial Park	Planned	242								
Arkansas	West Beaver Creek	Planned	243						I-P		
Arkansas	South Colony Watershed	Planned	244						I-P		
Arkansas	Rehabilitate Skaguay Reservoir	Proposed	339								
Arkansas	Acquire additional pond and lake resources for habitat and fisheries		340								
Arkansas	Re-operate CDOW storage rights in DeWeese Reservoir	Proposed	341								
Arkansas	Arkansas Minimum Flows agreement		347								
Arkansas	Pueblo & Arkansas Flow Management Program	Ongoing	362								
Arkansas	Southern Delivery System	Ongoing	363								
Arkansas	Fountain Creek Issues and Projects	Ongoing	364								
Arkansas	Local Watershed Recreational Uses Project	Ongoing	365								
Arkansas	Stocking Agreements	Ongoing	366								
Arkansas	Aurora Decrees & Exchanges	Ongoing	367								
Arkansas	Canon City Kayak Park and Fishing Restoration	Completed	368								
Arkansas	Pueblo Flow Program	Ongoing	369								
Arkansas	Stream channel and restoration project	Ongoing	675								
Arkansas	Arkansas River Hecla Junction Restoration Project		1001								
Arkansas	Colorado Gulch Restoration near Leadville Colorado, Mt. College, Kato Dee Project - bioreactor system design		1002								
Arkansas	Dinero and Nelson Tunnel		1003								
Arkansas	California Gulch Superfund Project		1004								
Colorado	Tenmile Creek Wetlands mitigation site	Completed	40			D					
Colorado	Snake River erosion control project	Completed	41		I						
Colorado	Blue River wetlands project	Completed	42						I		
Colorado	Shorefox Fish Habitat	Completed	104								
Colorado	Con Richards Project for Fishing	Completed	105								
Colorado	Troublesome Creek Fishing Project	Completed	106								
Colorado	Skylark Ranch Fishing Habitat	Completed	107								

* I - Indirect, I-D - Indirect-planned, D - Direct, D-I - Direct-planned

Basin	Name	Status	Project ID	Study / Report / Information only	Aquatic general- May not have NCNA attributes	Riparian / Wetland general - May not have NCNA attributes	Bonytail Chub	Humpback Chub	Roundtail Chub	Razorback Sucker	Colorado Pikeminnow
Colorado	Blue Valley Ranch Fishery Project	Completed	108								
Colorado	Fraser River Enhancement Project #1 - Maryvale	Completed	109								
Colorado	Fraser River Enhancement Project #2 - Vazquez Confluence	Completed	110								
Colorado	Fraser River Enhancement Project #3 - Gauging station	Completed	111								
Colorado	Eric Pete's Private Rehab	Completed	112								
Colorado	Mike Rapuchi Private Rehab	Completed	113								
Colorado	Devils Thumb Ranch Private Rehab	Completed	114								
Colorado	Edgewater Private Bridge	Completed	115								
Colorado	Highway 40 Bridge	Completed	116						I		
Colorado	Dwight Miller Private Rehab	Completed	117						I		
Colorado	Ron Jones Private Rehab	Completed	118						I		
Colorado	Trail Creek (North and South) Moffat Collection System Bypass Flows	Completed	119						D		
Colorado	Hurd Creek Moffat Collection System Bypass Flows	Completed	120						D		
Colorado	Cabin Creek Moffat Collection System Bypass Flows	Completed	122						D		
Colorado	Little Cabin Creek Moffat Collection System Bypass Flows	Completed	123						D		
Colorado	Meadow Creek Moffat Collection System Bypass Flows	Completed	124						D		
Colorado	Fraser River Denver Water Minimum Releases	Completed	125						D		
Colorado	St. Louis Creek Denver Water Minimum Releases	Completed	126						D		
Colorado	Ranch Creek Denver Water Minimum Releases	Completed	127						D		
Colorado	Vasquez Creek Denver Water Minimum Releases	Completed	128						D		
Colorado	Dillon Reservoir Denver Water Minimum Releases	Completed	129						D		
Colorado	Williams Fork Reservoir Denver Water Minimum Releases	Completed	130						D		
Colorado	Black Gore Creek Sediment Removal	Completed	132				I	I	I	I	I
Colorado	Basin of Last Resort Sediment Control Project	Completed	133				I	I	I	I	I
Colorado	East Zone Stream Habitat Improvements	Completed	134				I	I	I	I	I
Colorado	Vail Ski Area Watershed Improvements	Completed	135				I	I	I	I	I
Colorado	Red Dirt Creek Bank Revegetation	Completed	136				I	I	I	I	I
Colorado	Straight Creek Sediment Control Project	Completed	137				I	I	I	I	I
Colorado	Dutch and Coal Creeks Riparian Planting Project	Completed	138						D		
Colorado	Redstone Placita Riparian Restoration Project	Completed	139						D		
Colorado	Eagle River Restoration Phase II	Completed	140								
Colorado	Piney River Habitat Enhancement	Planned	141								
Colorado	Vasquez Creek Instream Fish Habitat	Completed	178		D						
Colorado	St. Louis Creek Instream Fish Habitat	Completed	179		D						
Colorado	Cabin Creek Riparian Restoration	Completed	180		D						
Colorado	Bronco Creek Riparian Restoration	Completed	181			D					
Colorado	Bronco Creek Mine Equipment Removal Project	Completed	182		D						
Colorado	Denver Creek Instream Fish Habitat	Completed	183		D						
Colorado	Sawmill Gulch Instream Fish Habitat	Completed	184		D						
Colorado	Colorado River Channel Reconstruction	Completed	185		D						
Colorado	Fraser River Sediment Trap	Completed	187		I						
Colorado	Recommended Minimum flows along the Gunnison and Colorado Rivers	Completed	192								
Colorado	Eagle River Watershed Retrospective Assessment	Completed	204								
Colorado	Upper Colorado Wild & Scenic Alternative Management Plan Stakeholder Group	Planned	205						D-P		
Colorado	Upper Colorado Endangered Fish Program - 10825 Water Supply	Planned	206				D-P	D-P		D-P	D-P
Colorado	West Divide Project: Evaluation of Potential Water Demands within the Crystal River Watershed	Completed	245								

* I - Indirect, I-D - Indirect-planned, D - Direct, D-I - Direct-planned

Basin	Name	Status	Project ID	Study / Report / Information only	Aquatic general- May not have NCNA attributes	Riparian / Wetland general - May not have NCNA attributes	Bonytail Chub	Humpback Chub	Roundtail Chub	Razorback Sucker	Colorado Pikeminnow
Colorado	Instream Flow Recommendations for Lincoln Creek and Roaring Fork River	Completed	246								
Colorado	A Study of Macroinvertebrate community responses to Winter Flows on the Fryingpan River	Completed	247								
Colorado	Fryingpan and Roaring Forks Fishery Study	Completed	248								
Colorado	Stream Fisheries Investigations	Completed	249								
Colorado	Instream Flow Assessment of Maroon Creek	Completed	250								
Colorado	Report on Bureau of Rec 2006 Ruedi Release	Completed	251								
Colorado	State of the Roaring Fork Watershed Report	Completed	252								
Colorado	Coordinated Reservoirs Operations Program	Completed	254				D	D	D	D	D
Colorado	DWB Diversion Enhancement	Completed	256								
Colorado	Rock Barrier	Completed	257								
Colorado	Stream Improvement	Completed	258								
Colorado	Stream Improvement	Completed	259								
Colorado	Stream Improvement	Completed	260								
Colorado	Habitat Improvement	Completed	261								
Colorado	Culvert Repairs	Completed	264		D						
Colorado	ATV fording repairs	Completed	265								
Colorado	Habitat Improvement	Completed	266		D						
Colorado	Grand County Visitor preference survey	Completed	269								
Colorado	BLM Resource Management Plan revision	Ongoing	270								
Colorado	BLM Visitor Preference Survey	Ongoing	272								
Colorado	Grand County Stream Management Plan	Ongoing	273								
Colorado	River2D analysis	Ongoing	274								
Colorado	Wild and Scenic Eligibility Report	Completed	275								
Colorado	10825	0	276				D	D	D	D	D
Colorado	Grand County algae and nutrient studies	Ongoing	278								
Colorado	Grand County Stream Temperature Studies	Ongoing	279								
Colorado	Bureau of Rec study of Adams tunnel flow and timing as it affect Grand Lake water quality	Ongoing	280								
Colorado	CDPHE - listing for temp 303d	Ongoing	292								
Colorado	CDPHE - listing for copper on the M+E	Ongoing	293								
Colorado	"Temp study, stream and ambient air"	Ongoing	294								
Colorado	Fraser River Enhancement Project	0	295								
Colorado	Winter Park Water and Sanitation Pumpback	Planned	296								
Colorado	Winter Park Rec. Ass'n snowmaking pumpback and storage	Planned	297								
Colorado	Winter Park Water and Sanitation Alt. source diversion	Planned	298								
Colorado	Traction Sand Sedimentation Basion	Planned	299				I-P	I-P	I-P	I-P	I-P
Colorado	Grand County Water Information Network	Ongoing	300								
Colorado	Shares purchased for NCNs	Completed	301								
Colorado	Aquatic Habitat (PHABSM)	Planned	302								
Colorado	Pool and river habitat for winter flows	Planned	303								
Colorado	Bar construction to narrow low flow	Planned	304								
Colorado	Develop a channel by-pass around Windy Gap	Planned	305						D-P		
Colorado	PNABSM	Completed	306								
Colorado	Streamside restoration on lower reach	Planned	307								
Colorado	Stream restoration	Proposed	308								
Colorado	SWSI Shoshone Sediment Release	Ongoing	317				D	D	D	D	D
Colorado	SWSI Cutthroat Restoration	Ongoing	319								
Colorado	SWSI Gypsum State Wildlife Area Insteram Habitat Improvement	Ongoing	320								

* I - Indirect, I-D - Indirect-planned, D - Direct, D-I - Direct-planned

Basin	Name	Status	Project ID	Study / Report / Information only	Aquatic general- May not have NCNA attributes	Riparian / Wetland general - May not have NCNA attributes	Bonytail Chub	Humpback Chub	Roundtail Chub	Razorback Sucker	Colorado Pikeminnow
Colorado	SWSI Eagle Mine Superfund Project	Ongoing	321				I-P	I-P	I-P	I-P	I-P
Colorado	SWSI Summer Base-flow project	Planned	322	Planned							
Colorado	SWSI Aquatic Wildlife Management Plan	Planned	323	Complete							
Colorado	Ruedi Reservoir flow agreement	Completed	348								
Colorado	Grand County Water Information Network	Ongoing	409								
Colorado	Water Use Study (comestic use correlation to maintaining a specific instream flow)	Completed	410								
Colorado	Negotiations with Denver Water	Ongoing	412	On-going							
Colorado	Moffat Project	Ongoing	413	On-going							
Colorado	"303d listing from Hammond Ditch, Ranch Creek, St. Louis Creek, on Fraser"	0	414	Complete							
Colorado	Moffet Tunnel Expansion Project -EIS and other data from Denver Water	Planned	416	On-going							
Colorado	Platte & Colorado Simulation Model (PACSM)	Ongoing	417	Complete							
Colorado	TNC Study for Denver re: maximizing operations to leave more flows	Ongoing	418	Complete							
Colorado	Winter Park Rec. Assn. Snow making pumpback and storage	Ongoing	421								
Colorado	Fraser River Enhancement Project (FREP) by Towns of Fraser and Winter Park	Ongoing	423								
Colorado	Temperature Study (stream and ambient)	Ongoing	426								
Colorado	CDPHE listing for temperature 303d	Ongoing	427	On-going							
Colorado	CDPHE listing for copper on the M&E list	Ongoing	428	On-going							
Colorado	Share purchase in the Grand County Irrigated Land Company	Completed	429								
Colorado	Algae & nutrient studies	Ongoing	430								
Colorado	temperature studies	Ongoing	431	On-going							
Colorado	Study on Bureau of Reclamation pumping through Adams Tunnel diversion on water quality in the lake	Ongoing	432	On-going							
Colorado	GCWIN and Northern Conservancy District study on water quality in the lake (5 years data so far)	Ongoing	433								
Colorado	Trying to get 10825 water released from Lake Granby to increase flows and help with problems related to water temperature	Planned	434								
Colorado	Red Top Valley ditch and 10825 water evaluation	Ongoing	435	Recommended							
Colorado	Windy Gap FIRMING EIS	Ongoing	436								
Colorado	Moffat FIRMING EIS	Ongoing	437								
Colorado	Nehring Macro-Invertebrates Study 2010	Ongoing	438								
Colorado	CDOW Fish Populations Study 2010 (Ewert)	Ongoing	439								
Colorado	Listed 303d - temperature	Ongoing	440	Complete							
Colorado	10825 Endangered Fish Study 2009	Ongoing	441	On-going							
Colorado	CDOW Fish surveys over several years	Completed	442								
Colorado	Nehring -- Whirling disease study	Completed	443								
Colorado	Didymo (algae) Study (ASLO CU?)	Completed	444								
Colorado	FWS 1951 studies	Completed	445								
Colorado	Windy Gap Project docs/data	Completed	446								
Colorado	Wild and Scenic Eligibility	Ongoing	447						D-P		
Colorado	BLM Resource Management Plan	Ongoing	449						D-P		
Colorado	W&SR Eligibility Report	Ongoing	450						D-P		
Colorado	Visitor Preference Survey 2007	Completed	451	Complete							
Colorado	W&SR suitability determination with RMP decision	Planned	452						D-P		

* I - Indirect, I-D - Indirect-planned, D - Direct, D-I - Direct-planned

Basin	Name	Status	Project ID	Study / Report / Information only	Aquatic general- May not have NCNA attributes	Riparian / Wetland general - May not have NCNA attributes	Bonytail Chub	Humpback Chub	Roundtail Chub	Razorback Sucker	Colorado Pikeminnow
Colorado	Upper Colorado Wild & Scenic Stakeholder Group alternative proposal	Planned	453								
Colorado	Grand County Stream Management Plan	Ongoing	454								
Colorado	Moffat Firming Project EIS	Ongoing	455								
Colorado	GCWIN	Ongoing	456								
Colorado	Stream Management/Adaptive Management monitoring opportunity for enhancements from Denver	Planned	457								
Colorado	possible purchase of water rights	Proposed	458	On-going					D-P		
Colorado	Carryover storage in Williams fork for environmental flows	Proposed	459	On-going							
Colorado	Tudor Jones reclamation for trout habitat	0	460								
Colorado	Grand county stream Management Plan -- Phase III restoration	Ongoing	461								
Colorado	Green Mountain Pumpback study	Ongoing	462								
Colorado	Implement recommendations to control flow fluctuations as specified in forthcoming stream plan	Planned	463						D		
Colorado	Grand County Stream Management Plan	Ongoing	465								
Colorado	BLM Resource Management Plan Revision	Ongoing	466								
Colorado	W&SR suitability determination with RMP decision	Planned	467								
Colorado	Upper Colorado Wild & Scenic Stakeholder Group alternative proposal	Planned	468						D-P		
Colorado	American Whitewater's Recreational Flow Assessment	Completed	469								
Colorado	American Whitewater user surveys	Ongoing	470								
Colorado	CDOW fish shocking surveys	Ongoing	471								
Colorado	Field work for ISF	Completed	472						D-P		
Colorado	"Analysis of Remedial Methods by EPA, CDPHE and NWCCOG"	Ongoing	473	On-going							
Colorado	319 Grant with DRMS for project	Ongoing	474				I	I	I	I	I
Colorado	CDOW fish shocking in lower segment	Ongoing	475								
Colorado	Likely Superfund treatment of Pennsylvania Mine	Planned	476				I-P	I-P	I-P	I-P	I-P
Colorado	CWCD loan to East Fork Mutual Irrigation Co. for ditch repair	Ongoing	477						D		
Colorado	CDOW Fish surveys/status of Gold Medal fishery	Ongoing	478								
Colorado	Town of Silverthorne information for RICD and quantification of flows	Ongoing	479								
Colorado	CDOT I70 sediment control plan	Ongoing	480				I	I	I	I	I
Colorado	Design and construction of kayak park for RICD	Planned	481								
Colorado	Restoration project	Completed	482						D		
Colorado	Aquatic habitat study and restoration project (Town of Breckenridge)	Planned	483	Planned							
Colorado	15 Mile Reach Programmatic Biological Opinion	Ongoing	484				D	D		D	D
Colorado	Wild and Scenic alternatives process and preliminary suitability	Ongoing	485	On-going							
Colorado	Water Quality Treatment project	0	486								
Colorado	Wild and Scenic eligibility and alternatives process	Ongoing	487	On-going							
Colorado	Pitkin County ISF filings with CWCB	Planned	488						D-P		
Colorado	Proposed Hidden Gems Wilderness area and designation	Proposed	489	Recommended							
Colorado	Planned BLM studies and management plan	Planned	490	Planned							
Colorado	USFS bypass flow below Moffat collection system	Ongoing	491						D-P		
Colorado	Planned Moffat firming DEIS	Planned	492	On-going							
Colorado	Administratively required bypass flow from Moffat	Ongoing	493								
Colorado	USFS bypass flow below Moffat collection system	Ongoing	494								

* I - Indirect, I-D - Indirect-planned, D - Direct, D-I - Direct-planned

Basin	Name	Status	Project ID	Study / Report / Information only	Aquatic general- May not have NCNA attributes	Riparian / Wetland general - May not have NCNA attributes	Bonytail Chub	Humpback Chub	Roundtail Chub	Razorback Sucker	Colorado Pikeminnow
Colorado	USFS bypass flow below Moffat collection system	Ongoing	495								
Colorado	Wild and Scenic eligibility and alternatives process	Ongoing	497	On-going							
Colorado	Planned updated Eagle River watershed plan	Planned	498	Planned							
Colorado	Wild and Scenic eligibility and alternatives process	Ongoing	499	Planned							
Colorado	Wolcott feasibility process	Ongoing	500	On-going							
Colorado	Fraser River sediment control project	Ongoing	501				I	I	I	I	I
Colorado	Planned Fraser River settling basin upgrades	Planned	502				I-P	I-P	I-P	I-P	I-P
Colorado	Stream habitat enhancement project to improve fishery	Completed	503		X						
Colorado	Constructed fish barrier to isolate non-natives from Colo CTT	Completed	504								
Colorado	CDOT Black Gore sediment control action plan	Completed	505				I	I	I	I	I
Colorado	Miscellaneous bypass flows below Moffat collection system	Ongoing	506								
Colorado	"Planned culvert replacements for aquatic passage for Brook Trout, Mountain Sucker and Brown Trout"	Planned	620		D-P						
Colorado	Channel Stabilization work	Completed	621				I	I	I	I	I
Colorado	Boreal toad breeding ground monitoring	Ongoing	622	On-going							
Colorado	Management of Hunter Reservoir outflows benefit E Salt Creek fish habitat	Ongoing	623		D						
Colorado	Channel Stabilization work	Completed	624				I	I	I	I	I
Colorado	Fish Barrier	Completed	667								
Colorado	Under consideration for Wild and Scenic designation	Ongoing	668								
Colorado	Colorado Cutthroat Trout habitat restoration and restocking	Ongoing	669								
Colorado	"Stream rehabilitation project, livestock exclosures, and non-native removal"	Completed	670								
Colorado	NCA Designation for McInnis Canyons	Completed	671				I	I	I	I	I
Colorado	French Gulch Superfund Program	Completed	680								
Gunnison	Cebolla Creek Instream Flow	Planned	96		D-P						
Gunnison	Little Cimarron Creek Instream Flow	Planned	97		D-P						
Gunnison	Recommended Minimum flows for Gunnison River at the Confluence with the Colorado River	Completed	191								
Gunnison	Lake Fork Trail Stair Project	Planned	209			D-P					
Gunnison	Lake Fork Fish Enhancements	Planned	210								
Gunnison	North Fork Rehabilitation	Completed	253					I			
Gunnison	Coal Creek Watershed Restoration Plan	Planned	255								
Gunnison	Lease/loan/purchase of water rights for instream flow	Planned	267		D-P						
Gunnison	SWSI Cochetopa Creek dry-up	Ongoing	314		D-P						
Gunnison	SWSI Aspinall Unit Operations EIS	Ongoing	315								
Gunnison	Washington Gulch stream rehabilitation	Ongoing	350								
Gunnison	Gunnison Basin Selenium task Force	Ongoing	352					I	I	I	I
Gunnison	CWCB ISF Proposals for Dominguez Canyon Wilderness area & NCA	Completed	353		D						
Gunnison	15 yr Flow Management Project Taylor River	Ongoing	356								
Gunnison	HCCA Project	Ongoing	357								
Gunnison	Gunnison Basin Selenium task Force	Ongoing	358						I		
Gunnison	NFRIA Water quality Monitoring	Ongoing	359								
Gunnison	Paonia Reservoir Siltation study	Ongoing	360								
Gunnison	Instream Flows Black Canyon		361								
Gunnison	"Managing Lake Trout populations of brown trout, rainbow trout and kokanee salmon"	Ongoing	625								
Gunnison	Invasive species control program - quagga and zebra mussels	Ongoing	626					D	D	D	D
Gunnison	Gunnison River Basin Final Programmatic Biological Opinion	Completed	627								

* I - Indirect, I-D - Indirect-planned, D - Direct, D-I - Direct-planned

Basin	Name	Status	Project ID	Study / Report / Information only	Aquatic general- May not have NCNA attributes	Riparian / Wetland general - May not have NCNA attributes	Bonytail Chub	Humpback Chub	Roundtail Chub	Razorback Sucker	Colorado Pikeminnow
Gunnison	National Park Service water rights utilized to preserve ecological values in park	Ongoing	628					D	D	D	D
Gunnison	Wilderness Designation	Ongoing	629					I-P	I-P	I-P	I-P
Gunnison	Releases from Crystal Dam designed to protect values of Black Canyon	Ongoing	630					D	D	D	D
Gunnison	Wilderness Designation	Ongoing	631					I-P	I-P	I-P	I-P
Gunnison	Planned Selenium Management Plan	Planned	633					I-P	I-P	I-P	I-P
Gunnison	Hartland diversion project will increase fish passage	Planned	634					D-P	D-P	D-P	D-P
Gunnison	Planned Selenium Management Plan	Planned	635						I-P		
Gunnison	North Fork River Improvement Association actively working to improve habitat	Ongoing	636								
Gunnison	Wilderness designation	Ongoing	637								
Gunnison	Planned mining remediation	Planned	638								
Gunnison	Uncompaghre Watershed Planning Partnership - planned process to develop remediation plans	Planned	639								
Gunnison	Wilderness designation	Ongoing	640								
Gunnison	Fen inventory and assessment	Planned	641								
Gunnison	4 party agreement controlling lake levels and stream flows - benefits fish and wildlife habitat and boating recreation	Ongoing	642								
Gunnison	Intergovernmental Agreement coordinating outlet to control lake level and stream flows in Lake Fork - benefits trout ponds and instream flows	Ongoing	643								
Gunnison	Tri-County Water Conservancy District manages reservoir levels and releases for recreation and environmentl flows	Ongoing	644								
Gunnison	Planned native fish population restoration project	Planned	645						D-P		
Gunnison	Special management designation - protected as wilderness	Ongoing	646		I-P	D-P					
Gunnison	Abandoned mined land inventory program - planned	Planned	647								
Gunnison	Culvert replacement work for fish passage	Completed	648								
Gunnison	Culvert replacement work for fish passage	Completed	649								
Gunnison	Culvert replacement work for fish passage	Completed	650								
Gunnison	Stream crossing restoration work	Completed	651								
Gunnison	Exclosure work to keep livestock out of creek	Completed	652								
Gunnison	Took out in-channel pond and re-established channel	Completed	653								
Gunnison	"Removed bridge crossing, replaced culverts and restored channel"	Completed	654								
Gunnison	Restored stream to original channel	Completed	655								
Gunnison	Stabilized channel and improved fish habitat	Completed	656								
Gunnison	Moving campsites away from stream	Ongoing	657								
Gunnison	Travel Management Plan - reduction of roads in water influx zones	Ongoing	658								
Gunnison	Travel Management Plan - reduction of roads in water influx zones	Ongoing	659								
Gunnison	instream flow assessment studies ongoing	Ongoing	660								
Gunnison	Managing for boreal toad breeding ponds	Ongoing	661								
Gunnison	Research natural area for rare fens and plants	Ongoing	662								
Gunnison	Rebuilding diversion structure and fish screen for benefit of Colo CTT	Ongoing	663								
Gunnison	Bank Stabilization and fish habitat improvement	Ongoing	672								
Gunnison	Standard Superfund Site	Ongoing	1006								
North Platte	Colorado Creek Culvert Project	Completed	49								
North Platte	Crosby Creek Culvert Project	Completed	50			D					

* I - Indirect, I-D - Indirect-planned, D - Direct, D-I - Direct-planned

Basin	Name	Status	Project ID	Study / Report / Information only	Aquatic general- May not have NCNA attributes	Riparian / Wetland general - May not have NCNA attributes	Bonytail Chub	Humpback Chub	Roundtail Chub	Razorback Sucker	Colorado Pikeminnow
North Platte	East Brach of Willow Creek Culvert Project	Completed	51		D						
North Platte	Newcomb Creek grazing reduction project	Completed	52								
North Platte	Grizzly-Helena Trailhead Improvement	Planned	53								
North Platte	Sawmill Creek Gravel Pit	Planned	54								
North Platte	South Fork of Big Creek measurements	Planned	55								
North Platte	McGee Fen Fence	Planned	56			I					
North Platte	Teal Lake amphibian habitat construction	Planned	57								
North Platte	Silver Creek culvert project	Completed	58		D	D					
North Platte	Ninegan Creek Restoration	Planned	59		D	D					
North Platte	New Pioneer Ditch Project	Completed	60		D						
North Platte	Oklahoma #1 project	Completed	61		D						
North Platte	Hubbard #2 Project	Completed	62								
North Platte	Hubbard #1 Project	Completed	63								
North Platte	Dryer project	Completed	64								
North Platte	Boyce Bro Project	Completed	65		D						
North Platte	Hill of Crouter Project	Completed	66		D						
North Platte	Willow Exclosure #1	Completed	67								
North Platte	Willow Exclosure #2	Completed	68								
North Platte	Willow Exclosure #3	Completed	69								
North Platte	Willow Exclosure #4	Completed	70								
North Platte	Willow Exclosure #5	Completed	71								
North Platte	Hebron Sloughs - Haworth Meadows	Completed	72								
North Platte	Hebron Sloughs - Pipe and Ditch	Completed	73								
North Platte	Hebron Wildlife Management Area - Wetland Restoration	Completed	74								
North Platte	Lake John Wetland	Completed	76								
North Platte	Lake John Wetland Breeding Habitat Improvements	Planned	77								
North Platte	Pleasant Valley Ditch (NP1-16a)	Completed	78								
North Platte	Independence Ditch (NP1-16b)	Completed	79								
North Platte	Shafer Creek Basin wet meadow assessment	Planned	80								
North Platte	Tointon Wetland Complex	Completed	81								
North Platte	Walden Reservoir	Completed	82			D					
North Platte	Wheeler Creek water quality / quantity measurements	Completed	83								
North Platte	Wheeler Creek instream flow right	Planned	84								
North Platte	South Fork of Big Creek water quality / quantity measurements	Completed	85								
North Platte	South Fork of Big Creek instream flow right	Planned	86								
North Platte	North Fork of North Platte River water quality / quantity measurements	Completed	87								
North Platte	North Fork of North Platte River instream flow right	Planned	88								
North Platte	Indian Creek water quality / quantity measurements	Completed	89								
North Platte	Grizzly Creek water quality / quantity measurements	Completed	90								
North Platte	Government Creek water quality / quantity measurements	Completed	91								
North Platte	Spring Creek water quality / quantity measurements	Completed	92								
North Platte	Chandler Ranch Ditch Cleaning	Planned	93								
North Platte	Deadman Creek Instream Fish Habitat	Completed	157								
North Platte	Jimmy Creek Wetland Livestock Fencing Project	Completed	160								
North Platte	Jimmy Creek Spring Livestock Fencing Project	Completed	161								
North Platte	Lake John Expansion	Proposed	338								
Rio Grande	"Rio Grande Main stem (Fern Creek to Cliff Lake) Tree planting, and Fishery structures"	Completed	2								

* I - Indirect, I-D - Indirect-planned, D - Direct, D-I - Direct-planned

Basin	Name	Status	Project ID	Study / Report / Information only	Aquatic general- May not have NCNA attributes	Riparian / Wetland general - May not have NCNA attributes	Bonytail Chub	Humpback Chub	Roundtail Chub	Razorback Sucker	Colorado Pikeminnow
Rio Grande	Rio Grande Main stem (Fern Creek to Cliff Lake) Stream Rechanneling	Completed	3								
Rio Grande	Rio Grande Reservoir Rehabilitation	Planned	4								
Rio Grande	Shallow Creek Stream Restoration & Structures	Completed	5								
Rio Grande	Sheep Creek Rock Dams	Completed	6								
Rio Grande	Ceede to Creede	Completed	7								
Rio Grande	Rio Grande Natural Area Riparian Restoration	Planned	8								
Rio Grande	Willow Creek Restoration Committee Mine Tailings	Completed	9								
Rio Grande	Willow Creek Restoration Committee Channel Restoration	Planned	10								
Rio Grande	Kerber Creek Restoration	Completed	11								
Rio Grande	South Fork of Rio Grande Park Creek Campground	Completed	38								
Rio Grande	Gravel Pond Wetlands project	Completed	39								
Rio Grande	Alamosa River Instream Flow	On-going	102								
Rio Grande	Hot Springs Creek restoration project	Completed	151								
Rio Grande	San Luis Conservation Initiative	Planned	152								
Rio Grande	Saguache Reservoir acquisition	Planned	211								
Rio Grande	Rio Grande Restoration Project	Ongoing	217								
Rio Grande	Fully utilize transmountain return flows - Rio Grande	Planned	342								
Rio Grande	Continental Reservoir Storage Agreement	Proposed	343								
Rio Grande	Platoro Reservoir minimum flow modification	Proposed	344								
Rio Grande	Dredging of conservation pools	Proposed	345								
Rio Grande	Ongoing restoration and management efforts including the acquisition of water rights	Ongoing	388								
Rio Grande	USFWS/CDOW water diversion/water control structures to maintain water levels	Ongoing	389								
Rio Grande	fish studies by USFWS and CDOW	Planned	390								
Rio Grande	Multiple conservation easements on ranches that tie water to the land.	Completed	391								
Rio Grande	Conservation easement with TNC including 2 miles of stream flow restoration on creek (unnamed)	Completed	392								
Rio Grande	"Conservation easements and fee title covering about 3,000 acres"	Completed	393								
Rio Grande	Hydrologic assessment (Sanderson et al 2008) simulated natural hydrologic regime	Completed	394								
Rio Grande	Alamosa River ISF Restoration	Ongoing	395								
Rio Grande	Alamosa River Upgrades	Planned	396								
Rio Grande	Barrier installation and non-native removal habitat restoration project	Ongoing	674								
Rio Grande	Culvert replacements	Completed	676								
Rio Grande	Culvert replacements	Completed	677								
Rio Grande	Culvert replacements	Completed	678

Southwest	Mitigation for Lower Dolores by Xcel - mandatory non-CWCB instream flow	Ongoing	581					
Southwest	Burn rehabilitation work	Completed	582					
Southwest	Burn rehabilitation work	Completed	583					
Southwest	Burn rehabilitation work	Completed	584					
Southwest	Pipeline diversion structure with non-CWCB ISF requirement under special use permit	Ongoing	585					
Southwest	Studying ISF donation downstream of Big Branch confluence	Ongoing	586					
Southwest	Suitability for Wild and Scenic	Ongoing	587					
Southwest	Suitability for Wild and Scenic	Ongoing	588					
Southwest	Planned valley floor restoration effort	Planned	589					
Southwest	Planned report to CWCB on Red Canyon flow protection	Planned	590					
Southwest	Special management designation - similar to wilderness	Ongoing	591					
Southwest	Stream and water quality restoration	Ongoing	673					
Yampa	SWSI Chuck Lewis SWA Instream Habitat Improvement	Ongoing	326					
Yampa	SWSI Yampa River SWA stream gauging station	Completed	327					
Yampa	SWSI Yampa River Flow Enhancement	Completed	328					
Yampa	Enlarge Elkhead Reservoir		346					
Yampa	water diversion (with Landowner) to prevent 1.5 mile of West Prong from drying up	Planned	376					
Yampa	Modification of diversion structure to allow passage	Planned	377					
Yampa	Habitat Restoration Project	Ongoing	378					

* I - Indirect, I-D - Indirect-planned, D - Direct, D-I - Direct-planned

Basin	Name	Status	Project ID	Arkansas Headwaters Recreation Area	Waterfowl Habitat	Important Reservoirs, Lakes, and Ponds	Birding Trails	Hebron Slough Ponds
Yampa	Develop RFP for stream habitat restoration conceptual plan	Ongoing	379					
Yampa	Implement habitat restoration project identified in conceptual plan	Planned	380					
Yampa	BLM waiting for finalized suitability study on 5 reaches covered within Segment YW01 map	Ongoing	381					
Yampa	BLM may make suitability determination	Planned	382					
Yampa	WFET Phase II NCNA	Planned	383					
Yampa	Potential fish studies	Planned	384					
Yampa	Watershed Planning effort through Morgan Bottom Reach for riparian restoration and irrigation improvements	Planned	385					
Yampa	WFET quantification	Planned	386					
Yampa	Wild & Scenic potential for 3 segments	Planned	387					
Yampa	Common Data Repository and Water Resource Assessment for the Upper Yampa River Basin	Planned	603					
Yampa	Fish barrier installed and chemical treatment of non-natives - Colorado Cutthroat Trout restoration project	Completed	604					
Yampa	Five culverts installed for fish passage	Completed	605					
Yampa	Cutthroat trout restoration and stream health rehabilitation project - modification of diversion structure	Completed	606					
Yampa	Native species aquatic passage project - replacing culverts	Ongoing	607					
Yampa	Boreal Toad breeding site - exclosure work at confluence of Elkhead and Torso	Completed	608					
Yampa	Barrier installed and chemical treatment for non-natives - CCTT restoration project	Ongoing	609					
Yampa	Cutthroat trout restoration - riparian fencing work	Completed	610					
Yampa	Culvert replacement for aquatic passage (Brook trout) and watershed issues	Completed	611					
Yampa	Culvert replacement for aquatic passage (Brook trout)	Completed	612					
Yampa	Culvert replacement for Colo CTT	Completed	613					
Yampa	Culvert removals and road decommissioning for benefit of Colo CTT	Ongoing	614					
Yampa	Planned fish barrier construction for benefit of Colo CTT	Planned	615					
Yampa	Wilderness Designation	Ongoing	616					
Yampa	Wilderness Designation	Ongoing	617					
Yampa	Wilderness Designation	Ongoing	618					
Yampa	Wilderness Designation	Ongoing	619					
Yampa	Lower White River Riparian Restoration	Planned	664					
Yampa	Stream and riparian rehabilitation project	Ongoing	665					
Yampa	Data Collection	Ongoing	666					
Yampa	CWCB filed intent to appropriate On Morrison Creek		704					
Yampa	Chuck Lewis State Wildlife Area. Yampa Valley Stream Improvement Charitable Trust	Ongoing/Completed	1000
